

REGISTRATION

Registration for the following academic year is held online for all undergraduate students currently in attendance. New freshmen students register through Jump Start, while new transfer students register online with assistance from the Academic Advising office. Undergraduate students choosing not to register for subsequent semesters must adjust their status accordingly. They may either withdraw from the University altogether or move to Stop-Out status. Please consult the Academic Status section of this catalog for more details. By registering, the student accepts the responsibility to subscribe to all University policies, financial and otherwise. Fulfillment of registration requirements is the individual student's responsibility and must be completed in accordance with procedures established by the Registrar's Office.

Payment or arrangement for payment must be made with the University's Students Business Services Office by the published deadlines for payment. Failure to meet published payment deadlines will result in the cancellation of the student's course registration for that term.

Course Addition

A student may register for a new course through the fifth day of the semester (the end of the first week of classes). The Add/Drop may be completed online via Banner Self Service or a form must be submitted to the Academic Advising Office. After the fifth day of the semester students may not register for new courses. Due to the unique nature of applied and ensemble music courses, exceptions for enrollment and schedule adjustments may be approved and processed by the Registrar's office through the second week of the fall and spring semesters. All other registration rules and restrictions apply with regard to holds, maximum hours and Student Business Services Approval. Additionally, students eligible for an exception are required to obtain an approval from the instructor, music department chair, or music department administrative assistant. Completed add forms must be submitted to the registrar's office by noon on the second Friday of the term for review and processing. This extension for adding a course also applies to 16 week courses, COM-4450 WCGR Practicum I, COM-4451 WCGR Practicum II, JOU-4891 The Spectator Practicum I and JOU-4892 The Spectator Practicum II Practicum courses. They still have the exception to be added to a student's schedule until the semester's census date week 2. This is done with a drop/add form and signed by the instructor and approved by Business Services. The course will be added by the Registrar Office. Any questions work with your academic advisor.

Time constraints for adding courses are reduced proportionately in any semester where the structure of the class day is changed, such as the summer sessions, and may not apply to online courses.

Prerequisites

A prerequisite is a requirement that students must successfully complete prior to taking a course. Please note that not every course has a prerequisite – prerequisite information is found in the catalog course description. With student success being the focus at CUC, if a student has not yet completed the prerequisite, they will be required to meet the minimum prerequisite at the time of registration based on the **current** catalog.

Students who completed the prerequisite requirement prior to the standardization will not have to retake the prerequisite if they previously earned a lower eligible grade or score than currently required.

If a student fails to meet the prerequisite of a course, the course will be Administratively Dropped.

Co-Requisites

Co-Requisites are courses or other requirements that must be taken at the same time.

Course Drop and Withdrawal Policy

Dropping a Course

If a student no longer wishes to attend a course and it is prior to the withdrawal deadline, that student must officially drop the course to avoid receiving a failing grade. Dropped courses are not included on the student transcript. If you wish to drop a course, you must do so by the drop deadline that is published in the Academic Calendar. Courses can be dropped in CUConnect through the first week of classes.

Withdrawing a Course

Dropping a class after the drop/add period has ended is considered a Withdrawal. You may withdraw from a course after the add/drop period has ended with no grade penalty, however, you will not be eligible for a tuition refund and must pay any outstanding balances owed to the college. You will receive a "W" grade for the course when you withdraw. If you wish to withdraw from a course, you must do so by the withdrawal deadline that is published in the Academic Calendar. Withdrawals are counted as an attempt for a course. Students who remain enrolled in courses after the withdrawal deadline has ended will be assigned a final grade in the course from the faculty.

The following procedures will be used in the event of the dropping or withdrawing from a class:

For degree-seeking students:

Traditional Undergraduate

• 16-Week Courses

- **Drop during the first week:** A student may drop from a course online via Banner Self Service or by submitting an Add/Drop form to the Academic Advising Office. Such courses will not be recorded on a student's transcript.
- **Drop from second week to census date (second Friday of the semester):** A student may drop from a course during this time. Such courses will not be recorded on a student's transcript.
- **Withdrawal from census date through the 10th week:** A student may withdraw from a course during this time. Students must submit an Add/Drop form to the Academic Advising Office. A grade of W will be recorded on the student's transcript.
- **After the 10th week:** Students will not be allowed to withdraw courses after this point. After the 10th week, the instructor will issue all registered students a grade. A grade of W will be granted only for extraordinary circumstances approved by the office of the Dean of Students.

• 8-Week Courses

- **Drop during the first week:** A student may drop from a course online via Banner Self Service or by submitting an Add/Drop form to the Academic Advising Office. Such courses will not be recorded on a student's transcript.
- **Drop during the second week:** A student may drop from a course during this time. Such courses will not be recorded on a student's transcript.

- **Withdrawal from the third through the fifth week:** A student may withdraw from a course during this time. Students must submit an Add/Drop form to the Academic Advising Office. A grade of W will be recorded on the student's transcript.
- **After the fifth week:** Students will not be allowed to withdraw courses after this point. After the 10th week, the instructor will issue all registered students a grade. A grade of W will be granted only for extraordinary circumstances approved by the office of the Dean of Students.

Unauthorized withdrawals: Failure to attend class does not constitute withdrawal. In such cases, the instructor will assign a grade.

Administrative Drop

Students who do not meet the requirements for courses they have registered for will be dropped with a 100% refund. These courses will not appear on the transcript.

Refunds

For refund information, see the Student Fees (<http://catalog.cuchicago.edu/undergraduate/fees/>) section of this catalog or look for exact dates to be posted on CUC's website, CUChicago.edu (<http://CUChicago.edu>), or posted in the Student Business Services Office.

For non-degree seeking students:

All regulations on a grade of W will be the same as stated above for degree-seeking students with one exception: non-degree seeking students are to report directly to the Registrar's Office, not to Academic Advising. Time restrictions are reduced proportionately for summer sessions.

Course Audits

Registration for course audits should occur at or before final registration. Students may change from credit to audit or audit to credit up to and including the 20th day of classes in a 16-week term and the 10th day of classes in an 8-week term by submitting an add/drop form to the Academic Advising office. Exams and papers assigned to students taking the course for credit do not apply to audit students; all other expectations are the same. A grade of audit (AU) will be assigned at the completion of the course. For fee information in regard to audits, see the Undergraduate Fees (<http://catalog.cuchicago.edu/undergraduate/fees/>) section of this catalog. Students should be aware that audited courses are not eligible for financial aid.

Directed Study

A Directed Study Course is a means by which students may take established Concordia-Chicago courses that they are unable to take in a traditional format or at a time/semester the course is being offered. The use of a Directed Study can be considered as an option for students if they find that a course required for completion of their academic program has not been included in the course offering schedule for a particular semester or is offered at a time that conflicts with another course required in the student's program. Please consult with your academic advisor and program chair for more information and the appropriate paperwork needed.

Independent Study

Independent study is designed to provide students with an opportunity to pursue a specific academic interest that is related to, but not included in, a department's curriculum.

Independent study is offered in all of the departments to full-time degree-seeking students only. The application form is available in the Office of the Registrar or with your academic advisor and is to be presented to the department chair, with the proposal, in the semester prior to the beginning of the semester of enrollment.

The proposal should include:

- Title
- Objectives
- Rationale
- Outline
- Basic resources
- Time schedule

A course in the curriculum may not be taken as independent study, nor can an independent study duplicate the content of an established course. Grading procedures and policies concerning incomplete grades also apply to independent study courses. A student should enroll in the 4950 course for the credit hours desired in the program for the term in which the independent study is created.

Undergraduates also are subject to the following limitations:

- Junior or Senior class standing
- One independent study per semester
- Cumulative GPA of at least 2.00
- A 2.75 GPA in the pursued discipline
- Completion of all general education requirements in the pursued discipline

Graduate Courses

Students who have reached senior status (90 earned semester hours) are eligible to take a 6000-level course and apply it to their undergraduate program requirements provided they:

- Have a major or minor in the discipline or substantive area of the course being requested
- Have a 3.0 cumulative grade-point average
- Obtain permission of the course instructor and the Registrar after other requirements have been met.
- A limit of 25 percent of undergraduates has been established for any 6000-level graduate course. If a student's registration would exceed this limit, the registration will be denied. Students will be granted no more than two such course registrations to be included in their undergraduate program.

The above may not be applied to a graduate program. A 6000-level course may not be taken on the Pass/Fail grade option.

In the last semester before graduation, a senior student with a cumulative grade-point average of 3.0, and a 3.0 average in the department in which the graduate course is to be taken, is eligible to register for a 6000-level course. The course may be applied to the completion of an undergraduate degree or toward a graduate degree, but not both.

Permission of the Registrar and the respective instructor is required to register for the course.

Students wishing to apply the graduate-level course to a graduate degree at Concordia-Chicago simultaneously must apply for graduate admission and receive confirmation that the course will fulfill graduate degree requirements.
