

# REQUIREMENTS ON INTERRUPTED PROGRAMS

---

Undergraduate students who interrupt their degree programs for more than three years (36 months) must comply with the degree requirements in effect at the time of re-entry to CUC. Students who change their degree program must comply with degree requirements in effect at the time of the change; program changes become official at the Census Date following the petition to change their degree program.

Students returning within the three-year period and staying in the same degree program as when they left will re-enter with the new degree requirements.

The ultimate responsibility for compliance with academic requirements for graduation, selection of courses, and prerequisites and class schedules rests with the student.
