| Total Hours |                                       | 18    |

Minors can be added to a major so long as the programs of study are different and all courses must be completed. A student cannot be awarded a degree with just a minor. Courses within the minor can double count in the major as long as 1/3 of the courses are unique to the major or any other minor.
