Director of Christian Education

The Director of Christian Education (DCE) Program is a major that leads to certification as a Commissioned Minister in the Lutheran Church—Missouri Synod. In addition to the Christian Education major, a theology minor of 18 credits is included, plus an additional minor is selected as well. All DCE major courses and theology courses must maintain a minimum GPA of 2.75 with no courses under C- accepted. An overall GPA of 2.75 is also required. Students completing the DCE major will become eligible to receive a Call to serve in the parish ministries of the Church. See DCE (<https://catalog.cuchicago.edu/undergraduate/college-education/director-christian-education-dce/>) program here or it is listed under College of Education for requirements

Combination of DCE/LTE

Another option includes a dual degree of Lutheran Teacher Education and Director of Christian Education. When completed, a graduate may receive a Call to serve in either a school or parish ministry in the Lutheran Church-Missouri Synod.

Graduation Requirements

Students in the College of Education must meet all University requirements found in the Academic Information section of this catalog. Specific requirements of the College of Education include the following:

- Earn a minimum cumulative GPA of 2.75 for all college-level coursework completed at CUC.
- A minimum grade of C or higher is required for all courses taken in a CUC CoE program.

The College of Education Initial Licensure Program has a stipulation indicating that students in the COE may not take any course as Pass/Fail without permission of the Division Chair or College Dean. Students may not take a course as Pass/Fail, including courses with the following course codes - EDEC, EDEL, EDMG, EDSC, EDSP, EDKS and EDUC. The student teaching internship course and the edTPA course are excluded from this policy because they are automatically Pass/Fail. General education courses outside of the required licensure programs may be taken as Pass/Fail if they are in alignment with the University policy.

In addition to the overall minimum credits for the degree major, minor, endorsement, and special programs (Honors Program for example) requirements are also necessary if they have been declared. Deficiency in any area of the program will delay awarding of the degree and will require filing of a new intent to graduate. Students may elect to drop minors, additional endorsements, or other special programs if they present an obstacle to graduation.
