

DIRECTOR OF CHRISTIAN EDUCATION (DCE)

The DCE Program prepares men and women to serve in the Lutheran Church—Missouri Synod, primarily in congregational settings. Initiated in the early 1960s, Concordia University Chicago has a long history of providing parish educators who work with children, youth and adults.

In the undergraduate DCE program, the student has two possible options. One option is the dual major program, which results in both DCE and Lutheran Teacher Certifications, and Illinois state teacher licensure. The second option is a DCE certification-only program without state licensure as a teacher.

Students desiring entry into a public ministry in the Lutheran Church—Missouri Synod must have earned a minimum GPA of 2.75 for all prescribed Theology requirements. Students desiring DCE certification from Concordia-Chicago also must have a minimum GPA of 2.75 in their DCE core courses. All theology and DCE courses used in the GPA calculation must have a grade of C or better and cannot be taken under the P/D/F grade option. DCE students must maintain an overall minimum undergraduate GPA of 2.75.

Illinois Articulation Initiative (IAI) are general education courses Concordia-Chicago agrees to accept in lieu of comparable, lower-division general education requirements. For more information regarding IAI transfer credit, please see the Illinois Board of Higher Education's iTransfer website at www.itransfer.org (<http://www.itransfer.org>).

General Undergraduate Admission Requirements

All applicants must meet the general admission requirements for Concordia University Chicago undergraduate programs as published in the Concordia University Chicago academic catalog (<http://catalog.cuchicago.edu/graduate/graduate-admission-student-services/>).

New students are accepted into undergraduate degree-seeking programs for online (ADP) and on-campus (Traditional) study in the fall and spring semesters. If you have any questions please work with your admissions advisors.

Program Specific Admission Requirements

- Completion of a bachelor's degree at a Synodical university or college.
- Achievement of a cumulative grade-point average of 2.50 or better.

Contact the College of Education for materials required for admission. Upon successful admission to the program, the student will be given a detailed course of study. This course of study shall be approved by the advisor and the Dean of Education. A copy will be filed in the College of Education office and the Registrar's Office. Following this approval, no change can be made in the program without approval from both the advisor and the Dean. While the course of study is rigorously adhered to, the means by which a student fulfills the requirements is flexible. Up to one-fourth of the course requirements, excluding internship, may be submitted for a transfer of credit into the program and/or may

be completed by some combination of credit for prior learning and correspondence courses.

Option I: DCE and Lutheran Teacher Certification With Illinois Professional Educator Licensure (168 + Hours)

This program prepares the student for DCE and Lutheran Teacher certifications by the Lutheran Church—Missouri Synod and for Illinois Professional Educator Licensure. This dual program combining DCE and middle grades and/or secondary education programs could be designed in collaboration with DCE and LTE faculty advisors and approved by the Dean. Under Option 1 involving teacher licensure, the requirements for admission are the following:

- Be enrolled in both the DCE program and elementary education licensure.
- Complete the general requirements for admission to the College of Education.
- Submit the application form to the College of Education for admission to the College and Teacher Candidacy.
- Submit an application for admission to the DCE program.
- Complete the interview process as designed by the DCE Program Director.

Student Teaching Internship Semester

EDEL-4920	Student Teaching Internship: Elementary	15
-----------	---	----

Total Hours 69

- ¹ Must be admitted to Teacher Candidacy to enroll in the professional methods coursework. The professional coursework sequence focuses on the professional formation of the teacher.
- ² Blocks I and II contain coursework required to be taken concurrently.

Student Teaching Internship

The Student Teaching Internship is in an elementary classroom every day for the 16-week semester under the guidance of a classroom cooperating teacher. The intern will be supported and evaluated by the University

supervisor. Candidates must meet the requirements for *Transition Point Two: Admission to the Student Teaching Internship Semester* to begin the internship. Subsequently, candidates must meet the requirements for *Transition Point Three: Completion of the Student Teaching Internship*.

The Student Teaching Internship Handbook provides detail and guidelines for meeting the criteria for successful completion of the Internship Semester and the process for obtaining the Illinois Professional Educator License.

Option II: DCE Certification Only (140-144 Hours)

This program prepares the student for DCE certification by the Lutheran Church—Missouri Synod.

Option III: Post-Baccalaureate DCE Certification

The Concordia University Chicago Director of Christian Education Certification Program is a means by which an individual with a bachelor's degree from a Synodical institution may become certified as a DCE with The Lutheran Church—Missouri Synod. This certification would enable an individual to be eligible to receive a Call as a DCE and to be placed on the roster of the Synod as a Commissioned Minister-Director of Christian Education.

Graduation Requirements

Students in the College of Education must meet all University requirements found in the Academic Information section of this catalog. Specific requirements of the College of Education include the following:

- A minimum cumulative GPA of 2.75 for all college-level coursework completed at CUC.
- A minimum GPA of 2.75 for all college-level courses taken in the major at CUC.
- A grade of C or higher in all prerequisite courses
- A grade of a C- or higher in all methods courses
- A passing score on the Illinois State Licensure Test(s) (taken prior to student teaching for those seeking licensure).
- A passing score on the EdTPA (for those seeking licensure).
- A passing grade for the Student Teaching Internship and a passing grade for both semesters of the DCE internship.
- The College of Education Initial Licensure Program has a stipulation indicating that students in the COE may not take **any** course as Pass/Fail without permission of the Division Chair or College Dean. Students may not take a course as Pass/Fail if the course is mandated by their licensure program through ISBE. Students may not take a course as Pass/Fail including courses with the following course codes - EDEC, EDEL, EDMG, EDSC, EDSP, EDKS and EDUC. The student teaching internship course and the edTPA course are excluded from this policy because they are automatically Pass/Fail. General education courses outside of the required licensure programs may be taken as Pass/Fail if they are in alignment with the University policy.
- In addition to the overall minimum credits for the degree major, minor, endorsement, and special programs (Honors Program for example) requirements are also necessary if they have been declared. Deficiency in any area of the program will delay awarding of the degree and will require filing of a new intent to graduate. Students may elect to drop minors, additional endorsements, or other special programs if they present an obstacle to graduation.
