

ELEMENTARY EDUCATION

The 120 credit-hour minimum is achievable by using specific courses that meet both general education requirements and the Elementary Education major curriculum requirements. We recommend students work with their faculty advisor.

The Bachelor of Science in Elementary Education degree leads to the state of Illinois Professional Educator Licensure in Elementary Education. Elementary Education majors must complete all requirements of the College of Education to be eligible for licensure. Illinois Licensure for Elementary Educators will be inclusive for grades 1-6.

Illinois Articulation Initiative (IAI) are general education courses Concordia-Chicago agrees to accept in lieu of comparable, lower-division general education requirements. For more information regarding IAI transfer credit, please see the Illinois Board of Higher Education's Transfer website at www.itransfer.org (<http://www.itransfer.org>).

University Requirements

Code	Title	Hours
COL-1995	Vocation and College Success	1
Transfer student's are exempt from this course
