Graduation Requirements

Students in the College of Education must meet all University requirements found in the Academic Information section of this catalog. Specific requirements of the College of Education include the following:

- A minimum cumulative GPA of 2.75 for all college-level coursework completed at CUC.
- A minimum GPA of 2.75 for all college-level courses taken in the major at CUC.
- A grade of C or higher in all prerequisite courses
- A grade of a C- or higher in all methods courses
- A passing score on the Illinois State Licensure Test(s) (taken prior to student teaching for those seeking licensure).
- A passing score on the EdTPA (for those seeking licensure).
- A passing grade for the Student Teaching Internship and a passing grade for both semesters of the DCE internship.
- The College of Education Initial Licensure Program has a stipulation indicating that students in the COE may not take **any** course as Pass/Fail without permission of the Division Chair or College Dean. Students may not take a course as Pass/Fail if the course is mandated by their licensure program through ISBE. Students may not take a course as Pass/Fail including courses with the following course codes - EDEC, EDEL, EDMG, EDSC, EDSP, EDKS and EDUC. The student teaching internship course and the edTPA course are excluded from this policy because they are automatically Pass/Fail. General education courses outside of the required licensure programs may be taken as Pass/Fail if they are in alignment with the University policy.
- In addition to the overall minimum credits for the degree major, minor, endorsement, and special programs (Honors Program for example) requirements are also necessary if they have been declared. Deficiency in any area of the program will delay awarding of the

degree and will require filing of a new intent to graduate. Students may elect to drop minors, additional endorsements, or other special programs if they present an obstacle to graduation.
