

# SECONDARY EDUCATION

The 120 credit-hour minimum is achievable by using specific courses that meet both general education requirements and the Secondary Education major curriculum requirements. We recommend students work with their academic advisor.

The Bachelor of Science in Secondary Education degree leads to the state of Illinois Professional Educator Licensure in Secondary Education. Secondary Education majors must complete all requirements of the College of Education to be eligible for licensure.

Illinois Articulation Initiative (IAI) are general education courses Concordia-Chicago agrees to accept in lieu of comparable, lower-division general education requirements. For more information regarding IAI transfer credit, please see the Illinois Board of Higher Education's iTransfer website at [www.itransfer.org](http://www.itransfer.org) (<http://www.itransfer.org>).
