CAS Social Work graduates are considered professional social workers who can be employed in entry-level social work positions in the community. Upon successful completion of the program the student earns a baccalaureate degree and is eligible to begin to gain the two years of supervised practice required to qualify for licensed social worker designation (LSW). The admission requirements for the social work program are listed in the section: College of Health, Science, and Technology Special Admissions Criteria.

Graduation Requirements

Students in the College of Health, Science and Technology or The College of Theology, Arts and Humanities must meet all University requirements found in the Academic Information section of this catalog. Specific requirements for these Colleges include the following:
