Additional Requirements

Major

- Coursework for majors in the College of Health, Science & Technology can be found later in this section.
- No more than half of the courses (equaling no more than one half of the credits) for a major can be used toward another major within the College of Health, Science & Technology.
- A course in the major must have the grade C or higher to apply to the major.
- The department of Natural Science and Geography requires a minimum grade of C for courses within the major that are not prerequisites for other courses. For courses that are pre-requisites, the C minimum remains unless superseded by admission grade requirements for specific programs, e.g., nursing at Oak Point University (formerly Resurrection University), microscopy at Hooke College, medicine/dentistry/pharmacy at LECOM, etc.)
- No course in a major may be taken on the Pass/Fail grade option.

Minor

- Optional
- Minors for the College of Health, Science & Technology can be found later in this section.
- One-third of the courses used toward the minor must be unique from anywhere else in a student's program.
- Electives: As needed to meet the 120-hour degree requirement.
