

ENGLISH AS SECOND LANGUAGE (ESL)

ESL-0055: Non Degree Eng Second Language (1 hour)

ESL-0098: American English for Academic Studies (3 hours)

This intensive, skills-oriented course focuses on the development of academic English for undergraduate students whose native or strongest language is not English for success at an American university (or English-medium universities). Integrative approaches and content are designed to foster language growth in academic reading, writing, listening, and speaking through a scaffolded structure of increasingly difficult and sophisticated language competency demands. Fee: Required.
