## Traditional New Student Registration Fees

### Applied Music Tuition

Applied music lessons include piano, organ, harpsichord, voice, band instruments, orchestral instruments, composition and/or improvisation. The University does not necessarily provide the use of an instrument for such lessons; however, a limited number of instruments are available. The applied music tuition is charged to any student taking music lessons (MUSA courses) for either credit or no credit. Students may register for half-hour lessons (MUSA-2000 level numbered applied music courses) for either 0.5 credit or 0 credit. Music majors and advanced non-majors, by permission of the division chair, are placed by audition in MUSA-3000 applied music courses, which is 1.0 credit for an hour lesson. Lessons in composition are available only for credit.

Students pay the tuition rate for the amount of credit earned plus an applied music fee. Students are responsible to make contact with their applied music teacher within the first week of the semester. Students are expected to attend all lessons and show adequate progress to continue in applied music.

### Applied Music Fee \$300.00

The applied music fee is charged to any student taking lessons as above. The applied music fee is \$300 regardless of the amount of credit.

### Course Audit Fees

Courses taken as audit are inclusive of current tuition structure; fees are the same for credit or audit. Students taking courses for audit that have lab fees associated with that course will be responsible for those lab fee charges. Students taking more than one applied music course for credit or audit in a given semester will pay an applied music fee for each course taken.

### Course Fees

This deposit is not required of returning students.

### Field Trip and Lab fees

Additional charges may be assessed for all students enrolled in courses requiring field trips. Such field trips must be indicated in the course descriptions. Students enrolled in certain courses also may be assessed additional laboratory fees.

### Late Registration Fee for Returning Students \$180

This non-refundable fee is assessed of all returning students registering after June 1.

### Registration & Records Fee \$48 per semester / \$96 annually

All students are assessed this fee to support the maintenance and processing of student records and verification of enrollment requests.

### Tuition and Course Fees for traditional UG courses

All undergraduate students enrolled in 12-18 credit hours each semester shall be charged a flat rate of tuition in the amount of \$18,870 per semester or \$37,740 annually. Undergraduate students enrolled in less than 12 credit hours per semester will be charged \$1,144 per credit hour taken. Students who attempt 16-18 credits and drop classes on or before census date may add second eight-week courses without additional tuition charges, as long as they remain within the 18 credit maximum. Standard fees associated with additional courses will apply. Undergraduate students enrolled in more than 18 credit hours per semester will be charged an additional \$572 per credit hour taken—this charge is in addition to the flat rate charge.

### ADP Student Charges

Students enrolled in the Adult Degree Completion Program shall be charged based upon their specific major as ADP tuition rates vary.

**Each student is emailed a copy of their semester bill to their personal CUC email address. Payments must be made with the University's Student Business Services Office by the published deadlines for payments. Failure to meet published deadlines will result in non-registration for that term/session by the University.**

## Additional Fees

### Room and Board/Food Services and Parking Fees

### Campus Housing

All campus housing charges are prorated to the date a student officially checks out with Residence Life staff from the residence hall (not the academic withdrawal date). Meal plan charges will be prorated to the amount actually used from the plan. After eight weeks in a semester, no housing refunds will be given. Any semester(s) not attended will be refunded in full.

Rates are normal room occupancy of two and three persons. Single room accommodations, if space is available, may be requested for an additional fee. Single rooms are available on a limited basis. All single room requests must be approved by the Director of Student Housing.

### Room Reservation Deposit

**Returning students: \$200**

**New students: \$200**

A deposit for a room reservation is required of all students applying and reapplying for residence in University Housing for the fall or spring semester. This deposit will be applied to the regular room fee and must be paid in full to be considered for reservation of a specific room whether applying or reapplying for housing. Late room reservation will incur an additional \$180 fee. After May 1 the room reservation deposit is non-refundable.

Refund of the room reservation deposit can be made only if the Director of Residence Life is notified in writing of room cancellation prior to July 15 of the year of enrollment or re-enrollment or by December 1 if entering in the spring semester. The Office of Residence Life reserves the right to rescind a private room when space is needed.
