The Career Services Office is not just about finding a job after college. Rather, it is about developing skills that are essential in managing a career at any point throughout the career development continuum. The goal is to assist students and alumni in every aspect of career exploration and goal fulfillment.

Career Services staff is available to meet with students to develop their job search strategies and assist in targeting employers utilizing a variety of online resources. CUC's affiliation with employers, as well as a consortium called the Career College Consortium of Illinois (CCC Illinois) has resulted in a broad range of opportunities for students and alumni. The Concordia Career Services website and the Concordia Connect (portal) link students to resources for résumé writing, job and internship searches, and announce career-related events such as job fairs and workshops.

All students are encouraged to meet with a Career Services staff member. Career Services provides access to a variety of resources with information on occupations, projections and preparation. This will help prepare students to assess themselves successfully, research options, and use effective tools in their job search. Services include career information, resources, individual counseling, group workshops, job search strategies, résumé writing, video resumé.
